Git - skilfull

CAREER OBJECTIVE

Aiming to leverage my abilities to successfully fill the Junior Front-end developer role at your company.

EXPERIENCE

INTERNSHIP - FRONT-END DEVELOPER
Tilllate.world Apr 2021 - Jul 2021
I was working in a team on their big-scale web application in React using TypeScript. This position made me comfortable with APIs, displaying and working with data. We were using Firebase as a database.

FRONT-END DEVELOPER
